

TIP SHEET

A series of health and safety tips to prevent work-related injuries in the trucking industry

Help our drivers make safe deliveries to your company.

An injury in your delivery bay can block the bay - and delay your deliveries.

TIPS TO LIVE BY

Inspect Your Delivery Bay

- Maintain good lighting.
- Remove debris.
- De-ice or fill potholes.
- Check for appropriate material handling equipment.
- Maintain dock plates and doors so they function well.
- Other _____

Thank you for helping keep our drivers safe!
